

**CARPINTERIA VALLEY WATER DISTRICT
DIRECT PAYMENT AGREEMENT**

HOW DOES DIRECT PAYMENT WORK?

After enrollment in the Direct Payment Program, you'll still continue to receive your itemized monthly water bill. The amount of your water bill will be automatically debited from your checking account on the 20th of the month. Monthly bills are due upon receipt. Of course, you can still call the District office if you ever have questions about your bill.

AFTER I'M ENROLLED, HOW DO I CHANGE INFORMATION ON MY DIRECT PAYMENT?

All changes must be received by the District in writing at least fifteen days prior to the date scheduled for automatic debit of your account. Any written change received within fifteen days of the automatic payment will not allow us sufficient time to process any needed corrections. Account corrections will then be made in the next billing cycle. You may cancel participation in the program at any time by giving the District a 30-day written notification. Please keep a copy of the cancellation request for your records.

WHAT HAPPENS IF THE EVENT OF A REJECTED PAYMENT?

Payments may be rejected by your financial institution because of insufficient funds, closed/unauthorized accounts or other reasons. The District will assess a service charge if a payment is rejected. We will then require that the current payment amount be covered in cash, cashiers check or money order within two days of payment rejection. After two such occurrences of rejected payments, you will no longer be eligible for the Direct Payment Program.

Yes, I understand the policies mentioned in the Direct Payment Agreement and I wish to participate in the Program using my (our) CHECKING ACCOUNT.

Please continue to make your payments until you receive a letter indicating the date of your first automatic payment.
