To obtain water and use Hydrant No # \_\_\_\_\_

Location of Hydrant \_\_\_\_\_

The purpose of use of Hydrant \_\_\_\_\_

**THE FOLLOWING RULES MUST BE OBSERVED IN USING FIRE HYDRANTS:**

1. Hydrant must be opened and closed slowly with an approved fire hydrant wrench, according to the Carpinteria Valley Water District instructions.
2. Since the hydrants must remain in service at all times, any filler hose must be removed and the hydrant cap replaced immediately after the hydrant is shut-down, unless a water meter or gate valve has been installed on the hydrant.
3. The Carpinteria Valley Water District will require a deposit and service connection fee per District Rules & Regulations for any temporary meter installed on a hydrant.
4. The Carpinteria Valley Water District must be notified by the user if temporary meter is needed at another location a moving fee will be charged to the account per District Rules & Regulations. The District must be notified when applicant is finished with hydrant.
5. **Only District personnel may set and remove temporary meter.** A Tampering Fee (see Rules & Regulations, Appendix C) may be assessed if this protocol is not followed.
6. This permit must be kept on the job site at all times and must be shown upon demand to any Carpinteria Valley Water District or Fire District personnel.

I HEREBY AGREE TO THE ABOVE CONDITIONS AND WILL BE RESPONSIBLE FOR WATER USED THROUGH THE FIRE HYDRANT AND FOR ANY WASTE OR PROPERTY DAMAGE CAUSED BY MY USE OR AND /OR DAMAGE TO SAID HYDRANT.
