New Employees

The District has hired two new employees to fill vacant positions: Anne Mounce and Justin Martinez.

Anne Mounce, our new Water Utility Worker-Customer Service Representative recently moved to Carpinteria from Orange County. She previously worked as a Customer Service and Production Supervisor. Anne enjoys being involved in team activities which is evident in her participation and role here at the District. Anne is an avid softball player and softball coach.

Justin Martinez, the District's newest Water Utility Worker is a Ventura County resident. Justin previously worked for a private water and service contractor, repairing main and service lines throughout Ventura and Santa Barbara counties. Justin feels the District is an opportune place to learn about the water utility industry and a great opportunity to become part of a structured and professional team.

Welcome Anne and Justin!
