

February 2009

Carpinteria Valley Water District

H₂KNOW

Projects

A few projects have been taking place around town that have been keeping the District very busy. These projects include a main extension at the new Carl's Jr. restaurant, a main extension to serve a property within Rancho Monte Alegre (RMA) and the relocation of pipe previously under Carpinteria Creek.

The two main extension projects, paid for by the property owners, have increased the District's distribution system by approximately 675 feet of pipe. In addition, two fire hydrants have been installed at these locations.

The pipeline relocation at Carpinteria Creek was part of an environmental restoration effort designed to help in the recovery of steelhead trout. The project was led by **South Coast Habitat Restoration** with cooperation from the **Carpinteria Creek Watershed Coalition**. A portion of the project involved removing the District's waterline out of the creek bed and fastening it to a newly installed bridge to keep the line protected.

The photo on the top left shows work being done for the Carl's Jr. main extension. The photo directly above shows a main extension in RMA. The photo on the bottom left shows the new pipe attached to the bridge in the Gobernador Canyon area.

El Distrito es bilingue. Favor de llamar (805) 684-2816 con cualquier pregunta sobre su cuenta o el uso de agua, estamos aqui para asistirlos.

Brian King, P.E.

Brian King, CVWD's Senior Assistant District Engineer recently passed the Professional Engineer's Licensing Exam. Brian's achievement gives the District the distinction of having two Professional Civil Engineers on staff, unusual for a small water agency such as CVWD.

Carpinteria Valley Water District Board of Directors

Frederick Lemere
President

June Van Wingerden
Vice President

James W. Drain
Robert R. Lieberknecht
Matthew T. Roberts

Board Meetings

CVWD's Board of Directors regularly meets on the 3rd or 4th Wednesday of each month.

Regular meetings begin at 4 p.m., are open to the public, and are held at 1301 Santa Ynez Ave., Carpinteria.

For more information on the meeting schedule, phone (805) 684-2816

CERT TRAINING

The City of Carpinteria, Carpinteria-Summerland Fire District and the Santa Barbara Sheriff's Department invite you to learn emergency preparedness skills by taking **CERT (Carpinteria Emergency Response Team)** classes. The 7-week course features classes on Fire Suppression, Earthquake preparedness, Disaster Medical Operations, Disaster Psychology, and CERT team organization and management. CERT is free to all citizens.

The training program begins:

**Monday, March 23rd Carpinteria Sanitary District
5300 6th Street, Carpinteria**

For more information and to enroll in CERT, contact Kris McGuire at 684-5405 x401.

February Board of Directors Meetings

The Board Meetings for the month of February will be:

**Wednesday, February 11th
Wednesday, February 25th**

The meetings will be at 4 p.m. in the District Boardroom located at 1301 Santa Ynez Avenue.
