

**CARPINTERIA VALLEY
WATER DISTRICT**

Water Utility Helper
\$3,572-\$4,573/MO DOQ

The District is seeking a qualified individual to perform work in the maintenance, construction, and repair of District facilities. Position will assist water utility workers and O&M staff in operations and maintenance of District distribution facilities, maintenance of equipment and grounds. This is an entry level position. General understanding of construction, equipment maintenance and mechanical ability preferred.

Education: High school graduation or GED required.

The individual hired in the Water Utility Helper position is required to obtain a State of California Water Distribution certification (level D2) no later than 18 months from the date of hire. If this certification is not obtained within that time period, the individual's employment will terminate.

Application period: Open until filled.

Applications may only be obtained online at: www.cvwd.net
You may call 805-684-2816 to have an application mailed to you.

Email completed application and resume to:

norma@cvwd.net

Please note: You will not be able to obtain or return applications in person.
