

# COMMERCIAL, INDUSTRIAL, INSTITUTIONAL ALLOCATIONS

**Allocation:**

Monthly historical use =  HCF

*Allocations are based on average historical use.*

- *This is your individual business's water use.*
- *This includes indoor and outdoor water use.*
- *Estimate your typical water use for one bill in the summer.*
- *Your allocation will equal your typical historical water use.*

=

TOTAL Monthly allocation (equal to historical use)  HCF
