

STAGE 0

WATER USE REGULATIONS

On April 10, 2024, the Carpinteria Valley Water District Board of Directors adopted Ordinance 24-1, lowering the Drought Condition from Stage 1 to Stage 0.

In compliance with Stage 0, **the following water waste prohibitions, and practices take effect on April 26, 2024.**

- Hoses must be equipped with an automatic shut-off nozzle when in use.
- Breaks and leaks must be repaired upon discovery.
- Watering decorative grass in commercial, industrial, and institutional areas, including common areas of homeowners' associations (HOAs) is not allowed.
- Irrigating turf or ornamental landscape during and within 24 hours after at least 1/4 inch of rainfall is prohibited.
- Avoid run-off caused by irrigation.
- Decorative fountains or water features must be equipped with recirculating pumps.
- Restaurants are encouraged to only serve water upon specific request from the customer.
- Hotels, motels, and other commercial lodging establishments are encouraged to post in each room water conservation information and actions.
